Description

Set in a commanding position over the village this modern house has been extended and refurbished by the present owners who have created a wonderfully flexible family home with the capability of ground floor living. The gardens are an absolute delight. Definitely one that needs to be viewed to fully appreciate.

A storm porch shelters the front door leading into the hallway. It's a lovely first impression with wooden floor and oak staircase. To the left is an integral garage with scope to provide further accommodation if required (stpp). To the right is a large, triple aspect sitting room with views over the village, access onto a wraparound terrace and a wood-burning stove for when the weather is not so good. The hall also gives access to a ground floor bedroom (or study/playroom) with an adjacent shower room giving the capability of ground floor living if required as well as access to the dining room and kitchen. The dining room has bi-fold doors onto the terrace and has plenty of space for both a large dining table and a soft seating area. Glazed doors lead to a triple aspect garden room with tiled flooring and further bi-fold doors onto the terrace. Back into the dining room which also opens into the kitchen with its stylish, fitted units with granite work surfaces, integrated dishwasher, microwave and range-style cooker. Next door is a utility room with plumbing for washing machine and space for tumble dryer opening into a boiler room with oil fired boiler and pressurised hot water tank.

On the first floor the master bedroom is huge and combines a dressing area with built-in wardrobes and a feature Velux window which provides a Juliet balcony from which to enjoy the far reaching views. Adjacent is a generous en suite with both a bath and large walk-in shower. There are three further bedroom (one of which is currently used as an office by our clients) as well as a family bathroom. There is extensive under eaves storage throughout the first floor.

Location

Pilton is a very popular village just 2 miles from Shepton Mallet and 5 miles from Wells and Glastonbury. The village enjoys a popular pub/restaurant, a busy co-op store and two churches. It is the site of the world famous Glastonbury Festival for which local residents receive free "village" tickets. Well situated for access to Bristol, Bath and Yeovil and within easy reach of Millfield School and a number of other private schools. The mainline train station at Castle Cary with a regular service to London is c.9 miles away.

To the north side there is a tarmac driveway providing hardstanding and also giving access to both the integral garage and the detached garage (both have remote controlled shutter doors). To the south and west of the property are the gardens: a real labour of love created by our clients. There is a level lawn with well-stocked borders in front of the property enjoying a westerly aspect with steps up to the terrace. The terrace has plenty of space for entertaining and would be a great place from which to watch the sun set. To the south side there are various other seating areas including a sunken garden with water feature and a very productive vegetable garden with shed, greenhouse, composting bins and a fruit cage.
