### Exquisite Lakeside Living Within a Historic Cheshire Estate

Occupying a privileged position within the prestigious grounds of the historic Lawton Hall Estate, this exceptional Grade II Listed residence offers a rare opportunity to acquire a beautifully appointed home in one of Cheshire's most exclusive private settings.

Originally forming part of the magnificent Lawton Hall, a distinguished Georgian mansion dating back to the reign of George II, the estate was sympathetically transformed by award-winning Gleeson Homes in 2002 into just nine luxury residences. This elegant two-storey mews home has since been meticulously enhanced by the current owners, creating a refined and sophisticated interior that seamlessly blends period character with contemporary luxury.

Approached through secure automated gates and nestled amongst acres of professionally maintained parkland, ancient woodland and an impressive lake, the property enjoys an unrivalled sense of peace, privacy and exclusivity. The estate's idyllic surroundings create a truly "country house" atmosphere, whilst remaining exceptionally well connected for modern living.

The accommodation extends to generously proportioned and beautifully presented living space throughout. A welcoming reception hall leads to an elegant lounge with feature fireplace and adjoining study area, whilst the bespoke dining kitchen has been thoughtfully designed with handcrafted cabinetry, premium integrated appliances, Jerusalem stone worktops and a central island, all enjoying delightful views towards the lake.

The first floor is equally impressive, centred around a charming galleried landing. The principal bedroom suite offers a luxurious retreat, complete with a substantial walk-in dressing room and an exquisitely appointed Villeroy & Boch en-suite shower room. A second generous double bedroom enjoys picturesque lake views, complemented by a sumptuous family bathroom featuring a sunken cast iron bath, underfloor heating and integrated Bluetooth speaker system.

Particular attention has been paid to the quality of fixtures and finishes throughout, including bespoke fitted furniture, premium sanitaryware, underfloor heating to bathrooms, period-style

radiators and elegant Georgian-style sash windows with plantation shutters.

Externally, the property benefits from a patio terrace overlooking beautifully landscaped lawns that gently descend towards the estate's extensive lake, providing an ever-changing backdrop of natural beauty throughout the seasons. A substantial double barn garage further enhances the practicality of this outstanding home.

Despite its wonderfully secluded setting, the property is ideally located for commuters, being just two miles from Junction 16 of the M6 motorway, approximately 40 minutes from Manchester International Airport and within easy reach of direct rail services to London. The nearby towns of Alsager, Congleton and Kids Grove provide an excellent range of shopping, leisure and everyday amenities.
