Lyndhurst Sutherland Road, Stoke-On-Trent ST9 9QD

Whittaker & Biggs are delighted to offer to the market this exquisite semi-detached house, built in 1897. Spanning three storeys, the property has been fully renovated to an exceptional standard, making it an ideal family home.

Upon entering, you are greeted by an original tiled hallway that sets the tone for the character found throughout the house. The two spacious reception rooms are perfect for both relaxation and entertaining, each featuring a cosy log burner that adds warmth and charm during the colder months.

The heart of the home is undoubtedly the stunning breakfast kitchen, which boasts bi-fold doors that seamlessly connect the indoor space with the outdoor area. This modern kitchen is equipped with an island unit, skylights that flood the space with natural light, and underfloor heating, ensuring a comfortable and inviting atmosphere for family gatherings or casual breakfasts.

AML REGULATIONS

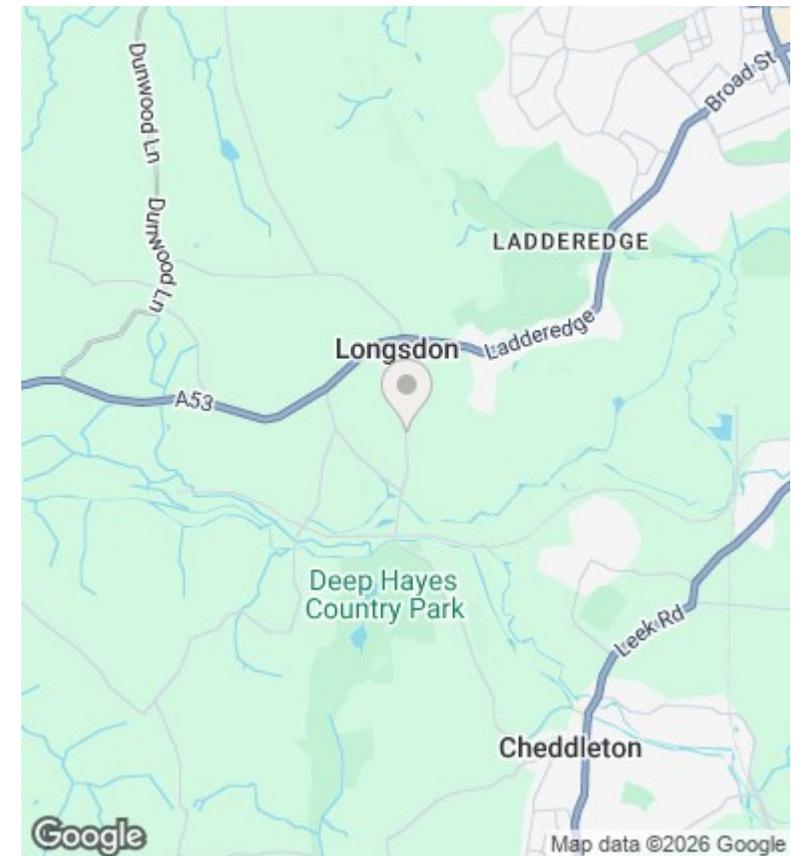

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
