Property Description

From the Agent's Perspective:

Homes in this area remain very popular thanks to their generous layouts and family-friendly setting. This property stands out because of the amount of space it offers both inside and out. The open lounge and dining area works well for modern living, and the additional reception room gives flexibility depending on a buyer's needs.

While the property would benefit from some updating, it gives buyers a great opportunity to add their own style and make the most of the space available. With four bedrooms, a good garden and a double driveway, it has all the foundations for a fantastic long-term family home.

The location is also very convenient. Clayton-le-Moors offers a range of nearby shops for everyday essentials, with a wider selection of supermarkets and additional amenities available in the surrounding areas such as Great Harwood, Accrington and Padiham. For commuters, the property is within easy reach of the M65, providing straightforward access towards Blackburn and Preston in one direction, and Burnley and Colne in the other, making it a great base for travel across East Lancashire.
