DESCRIPTION

12 Cherry Tree Lane is an attractive, double-fronted detached home with mellow brick elevations under a pitched tiled roof. The property provides well-balanced accommodation across two floors and has been thoughtfully adapted to suit modern family living. The house is offered with no onward chain.

ACCOMMODATION

The welcoming entrance hallway features wood-effect flooring, stairs rising to the first floor and useful under-stairs storage. A cloakroom cupboard is accessed from the hallway. The sitting room is a comfortable and inviting space, centred around a feature fireplace with an inset flame-effect gas fire, timber surround and marble hearth. A double-glazed bay window provides excellent natural light, with an archway leading through to the dining room. The dining room enjoys a seamless connection to both the kitchen and the conservatory, making it ideal for entertaining. The conservatory features a tiled floor and double doors opening onto the rear patio, extending the living space into the garden.

The kitchen/breakfast room is fitted with a range of matching wall and base units, integrated appliances, work surfaces, a one-and-a-half bowl sink unit and a gas hob with extractor hood. A window overlooks the rear garden, and a door leads through to the utility room. The utility room offers additional storage with matching units, space and plumbing for white goods, housing for the gas-fired boiler, a side window and direct access to the rear garden. A further family room provides excellent flexible living space. Converted by the current owners, this dual-aspect room features wood-effect flooring, sliding doors to the rear garden and a window to the front.

To the first floor the landing provides access to an airing cupboard. The principal bedroom is a generous double with dual-aspect windows, built-in wardrobes and an en-suite shower room comprising a tiled shower cubicle, wash hand basin with vanity unit, low-level WC and a window. There are three further well-proportioned bedrooms, all suitable for family use or home working. The family bathroom is fitted with a modern suite including a 'P'-shaped bath with shower over, wash hand basin, low-level WC, tiled flooring and double-glazed windows.

OUTSIDE

The property benefits from two driveways, providing ample off-road parking for several vehicles. The front garden is mainly laid to lawn with established planted borders. A detached single garage features an up-and-over door and a pedestrian door to the rear.

The rear garden is fully enclosed and designed for both relaxation and practicality. A deep paved patio extends across the rear of the property, ideal for outdoor dining. Beyond this is a lawned area with herbaceous borders and specimen trees, while a gravelled section offers low-maintenance gardening. A recently constructed summerhouse sits in one corner of the garden, creating a useful additional space.
