**Prewetts Mill, Mill Bay Lane,
Horsham, RH12 1ST**

LOCATION - A stunning two bedroom apartment designed by award winning architect Takero Shimazaki. Their vision has transformed this iconic Victorian landmark mill into 59 inspirational apartments in a riverside setting just moments from the town centre. With residents parking and specifications that exceed expectations, this is your opportunity to own a dynamic modern home in an outstanding location. Prewetts Mill is a contemporary conversion of a historic landmark part-dating from 1861, nestled into green space by the River Arun but easily accessible from the B2237 and within few minute's walk of Horsham town centre. Communal spaces are finished to an exceptional standard, and residents enjoy private allocated parking, while Horsham train station is just 15 minutes' walk with direct links into London Victoria, making it ideal for commuters.

PROPERTY - The front door opens into a spacious entrance hall, accessed via the beautifully maintained communal hallway of the apartment building. From the hall you will find a convenient storage cupboard to the right, doors then lead to all ground-floor rooms, including a handy downstairs WC and the impressive 15'8" x 12'2" open-plan living kitchen dining area. This bright and inviting space is a standout feature of the home, with large patio doors opening onto the private south-facing balcony, flooding the room with natural light. There is ample space for both a comfortable seating area and a dining table, while the contemporary kitchen is fitted with a stylish range of floor and wall-mounted units, cleverly concealing a number of integrated appliances. Upstairs on the first floor, Bedroom One is generously proportioned and again filled with natural light, further enhanced by large built-in wardrobes. The family bathroom is also located on this floor and is finished to a modern standard, featuring a spacious walk-in shower. In addition, there is a substantial storage area hidden under the stairs to bedroom 2, ideal for use as a loft-style storage space, offering excellent capacity despite restricted head height. On the second floor, you will find Bedroom Two, another well-sized double room with plenty of space for a desk and dressing table, or alternatively additional wardrobe storage.

OUTSIDE - The apartment benefits from an allocated parking space within the residents only parking area, located beneath the apartment block, and a secure internal bike storage area.
