Sargents is a beautifully presented two-bedroom home, tucked away just behind Standon High Street and finished to a high standard throughout.

The ground floor centres around a spacious sitting/dining room, flooded with natural light. The larger-than-average lounge provides plenty of space for both relaxing and entertaining, with French doors opening directly onto the low-maintenance rear garden. The kitchen is compact but exceptionally well finished, featuring granite worktops and quality cabinetry, and opens naturally into the dining area to create a sociable and practical living space.

Upstairs are two genuine double bedrooms. Bedroom one offers an excellent amount of built-in storage, while the second bedroom also benefits from built-in storage. The bathroom is noticeably larger than average and continues the property's well-finished feel. Plantation-style shutters to the front windows add both character and privacy.

Outside, the rear garden has been designed for easy maintenance, making it ideal for buyers wanting attractive outdoor space without the upkeep. Part of the original garage has been converted and is currently used as a useful store room, while retaining an electric roller door. To the front is a private driveway providing off-road parking.

One of the property's biggest attractions is its position. Sargents is quietly tucked away yet within just a few steps of Standon High Street, where everyday amenities include the convenience store, bakery, local pubs and bus services. The picturesque village setting is complemented by excellent road connections, with both the A120 and A10 easily accessible.
