A rare opportunity to purchase a spacious detached bungalow, together with a recently converted one bedroom detached self-contained annexe. The property occupies a generous plot with open views and is set back from the road, approached via a long private driveway. Constructed by the current owners in 1993, the bungalow offers well-planned and practical living accommodation. Internally, the property comprises of an entrance porch leading into a central hallway with access to a kitchen diner, separate WC and utility room. There are two well-proportioned double bedrooms and a large bathroom. The main sitting room is dual aspect, allowing for good natural light and views across the gardens. The current owners have also converted the former garage into a fully self-contained one bedroom annexe, creating a highly versatile space. Ideal for multi-generational living, it offers independent accommodation while remaining close to the main home. Alternatively, the annexe provides an excellent opportunity for those working from home, running a small business or seeking a dedicated studio or office space separate from the main house. There is also potential for use as guest accommodation or a holiday let, subject to any necessary consents, offering an additional income stream if required. The annexe includes an open plan living kitchen dining area with a newly fitted kitchen, a double bedroom and a newly installed shower room. It benefits from its own private garden area and underfloor heating, an independent central heating system and separate electrics. Outside, the property is approached via a long gravel driveway with planted borders, leading to a generous gravelled parking and turning area, along with access to a detached timber garage. The property stands within wraparound gardens to the sides and rear, which have been well-maintained by the current owners and include a variety of established plants, shrubs and trees, creating a pleasant and private setting. The property is positioned on the edge of the market town, within walking distance of the town centre, as well as the nearby racecourse and golf course. Viewing is highly recommended to appreciate the setting, space and flexibility on offer.
