A truly thoughtfully extended and well presented three bedroom family home within the ever-popular village of Handsacre.

Location-wise, the property benefits from a semi-rural position, whilst sitting in a village full of amenities and just a short drive from the stunning Cannock Chase, as well as being approximately only a ten minute drive from Lichfield and its city centre, whilst abundant surrounding countryside offers scenic walks and trails for any keen ramblers.

The accommodation enjoys an abundance of natural light flooding in throughout, and is set across two floors; the ground floor featuring an incredible open plan kitchen, family & living space with gorgeous vaulted ceilings and a separate generous living room, whilst the first floor is home to all three bedrooms and the modern family bathroom. A very charming frontage with a gated driveway and lawned gardens is complimented by a superb landscaped garden to the rear to make up the property's exterior.

Put simply, this property excels in just about every department. We must advise booking in a viewing at your very earliest convenience in order to appreciate the calibre of what's on offer.
