7 Hall Bank

Buxton, SK17 6EW

Tenure Freehold Council Tax Band B

Constructed in 1795 this superb Grade II listed character property is fabulously located in central Buxton overlooking The Slopes and the five star luxury Crescent Spa Hotel. Offering extensive accommodation over four floors with five bedrooms, two bathrooms and a number of reception rooms with many original period features. Formerly a highly successful restaurant for over a quarter of a century the opportunity arises for the potential purchaser to re-establish this restaurant with ground and lower ground floor business usage and extensive accommodation over the further three floors. The property currently has business/residential use, however planning for full residential use has been granted.

Equally 7 Hall Bank would make an incredible family home being situated within easy walking distance of the Buxton Opera House, The Pavilion Gardens, Market Place and Buxton's town centre with many amenities. Rarely do properties come up for sale in this highly sought after residential location and this superb period residence should be viewed internally to be fully appreciated.

Please note the property is predominantly freehold with a flying freehold over the section of the property above no. 6 Hall Bank. The flying freehold is £10 per annum and has lessor and tenant provisions.
