Coldershaw Road, W13 9DU

£995,000

Occupying a sought-after residential position, this attractive halls-adjointing Edwardian house is arranged over two floors and retains many of its charming period features, including high ceilings, original detailing and well-balanced accommodation throughout. The property also offers excellent scope for further enlargement, subject to the usual planning consents.

The ground floor is centred around a welcoming entrance hall with original tiled flooring, leading to three versatile reception rooms and an extended kitchen. A ground floor shower/utility room provides additional practicality.

To the rear, both the kitchen and reception room open directly onto a delightful private garden, creating an ideal setting for family life and entertaining. The recently installed, substantial garden room/office provides a superb workspace away from the main house and offers excellent flexibility for a variety of uses.

The first floor comprises three spacious double bedrooms, a further single bedroom and a family bathroom. There is also exciting potential to extend into the loft space, subject to the necessary permissions.

Coldershaw Road is ideally positioned within easy reach of the popular shops, cafés and restaurants of both Northfield Avenue and West Ealing Broadway. Excellent transport links are available via West Ealing station (Elizabeth line) and Northfields station (Piccadilly line), providing convenient access across London and beyond.
