North Wingfield, Chesterfield, S42 5LD

A home that has found the balance between country character and modern life beautifully.

Welcome to Chesterfield Road.

Set privately behind gates within approximately one acre, this wonderfully pretty home has been sympathetically restored to feel completely at home within its surroundings, while being thoughtfully reimaged for the way we live today.

There is an immediate sense of escape here. A generous gated driveway, beautifully manicured gardens, garaging and stables create the feeling of a small country retreat, while two substantial detached buildings add another dimension entirely, whether for working from home, running a business, creating a gym or simply having space to pursue the things you love.

A little bit of country life, beautifully adapted for modern day living.
