We are delighted to offer for sale, a beautifully presented, detached family home. The newly built property has been finished to an excellent standard throughout with oak veneer doors and contemporary tiling to the ground floor and bathroom. The high specification build, double glazing and underfloor heating make this property energy efficient and has a low impact on the environment. The accommodation includes three bedrooms, a spacious lounge / diner, modern fitted kitchen, ground floor cloakroom, and family bathroom. Outside the property enjoys an allocated parking area to the front with EV charger and low maintenance rear garden. These new build houses are set back from the main road, forming their own private area.

On the ground floor the entrance door gives access to a welcoming reception hallway with stairs ascending to the first floor and access to the lounge / diner, kitchen and ground floor cloakroom comprising a low-level WC and vanity wash hand basin. The lounge / diner is well proportioned with double opening French doors overlooking and leading to the rear garden. The lounge area naturally flows to a fully fitted kitchen, which is tastefully fitted with a contemporary range of matching eye level and base units, contrasting worktop surfaces, integral four ring induction hob, stainless steel extractor hood, electric oven and dishwasher. There is ample space for domestic appliances.

The first floor landing hosts doors to the three good size bedrooms, family bathroom. Bedroom one is

found to the front, bedroom two to the side and bedroom three to the rear. The family bathroom is fully tiled and features a low level WC, vanity wash basin and panelled bath with mains shower.

Externally, there is a small garden area to the front and an allocated parking area with EV charging point. A walkway to the side leads to the rear garden, which is fully enclosed with a patio adjacent to the property and steps up to a raised lawned area.

The property is situated on Chickerell Road. Weymouth Town Centre is just over half a mile away and provides a range of popular retail outlets and amenities. The historic Harbour is also within close proximity as is Weymouth Seafront. Transport links are favourable with regular bus routes along the Chickerell Road and the mainline railway station providing transportation to London Waterloo and Bristol Temple Meads respectively.

Austin Estate Agents would highly recommend a viewing on this property to fully appreciate all the accommodation this new build has to offer.
