Description

This well-presented two-bedroom semi-detached home combines character features with practical living space, offering comfortable and versatile accommodation suited to a range of buyers.

The property is approached via a gated frontage that opens into a paved courtyard, creating an attractive and low-maintenance entrance. Through the front door, you enter a welcoming hallway which houses the staircase to the first floor and leads through to the living room.

The living room is a warm and inviting space, enhanced by a bay window fitted with shutter blinds that allow natural light to flood in while maintaining privacy. A multi-fuel log burner provides a charming focal point, adding both character and comfort and making the room ideal for relaxing or entertaining.

To the rear of the property, the kitchen benefits from a large window overlooking the garden, giving the space a bright and airy feel. The layout is practical and functional, with good workspace and storage. Leading on is a useful utility room, which houses the combi boiler and provides additional storage and work area, as well as a door offering direct access to the garden. There is also convenient understairs storage.

Upstairs, there are two well-proportioned bedrooms, both featuring built-in wardrobes to maximize space. The principal bedroom also benefits from shutter blinds and access to an over-stairs storage cupboard. Completing the first floor is a modern bathroom fitted with a bath and shower over, finished in a clean

and contemporary style.

Externally, the rear garden has been thoughtfully designed for low maintenance, featuring a combination of astro turf and paved seating areas that create a versatile outdoor space for relaxing or entertaining. A wooden shed provides useful additional storage, while a rear gate offers access to the walkway behind. The enclosed front courtyard further enhances kerb appeal and usability.
