Outside:

Conveniently located towards the very end of the no through road. To the right hand side to the front a tarmac drive allows off road parking for numerous vehicles. The current owners had 6 cars off road on the drive previously with an additional parking bay flowing off the left hand side upon entering. The front garden is laid majority to tarmac parking with established planting and shrubbery. To the front of the property a paved walkway provides ease of access. At the bottom of the drive is the properties garage.

As previously mentioned accessed to the right hand external walkway or off the dining area side door or bifold doors is the enclosed rear garden. Well stocked by the current owners. A paved patio flows across the rear of the property and down the right hand side there is an elevated balcony off the dining area with open storage recess complete with power below. To the front section of the rear garden is a sunken pond surrounded with pebbles with a wooden shed to the left hand side. The paved patio flows across the rear of the property with former access flowing down the opposite side which could be re-opened if desired. Door providing access to storage underneath the rear extension.

The remainder of the garden is laid to lawn with the boundary well secured with wood fencing to right and left elevations The lower section of the garden is an elevated area of decking with additional wooden shed to the right hand side. There is a hard standing area to the lower section of garden which previously housed an outbuilding which could be reinstated if so desired.

Garage:

12'2" x 8'5" (3.72m x 2.59m)

Up and over garage door. The mains fuse box is located within the garage. The garage benefits from light and power and outdoor tap. To the right hand side of the garage a gate opens to provide access to the enclosed rear garden.

Agency Notes:

With the addition of the utility room to the rear this is a reduced length garage.
