ABOUT THE PROPERTY

Set behind a deceptively modest front this unique mews house has been lovingly renovated. It opens out to reveal an open-plan living space, two secluded gardens, four double bedrooms, two beautiful bathrooms, a separate WC/utility room, a home office and off street parking.

Camden Mews, is a highly sought after, quiet cobbled street in the desirable Camden Square conservation area. Within the catchment area of Camden School for Girls, It offers a village-like setting just a short walk from the shops, cafés, and transport links of Camden Town, King's Cross and Coal Drops Yard.
