The Agent that goes the Extra Mile

Riverside Cottage is nestled in the charming hamlet of Llanmill, just a short drive from the highly sought after market town of Narberth. Riverside Cottage is a delightful character farmhouse with an attached one- bedroom annex and many original features, set within approximately acres of mature gardens and woodland. The River Gwyddno creates a picturesque water side setting. Adding to the unique appeal, village peacocks are known to roam and reside within the grounds, creating a truly idyllic countryside setting.

Entered via a welcoming entrance porch, the home opens into an impressive living and dining room that truly forms the heart of the property. Full of warmth and character, this inviting space features a stunning inglenook fireplace with bread oven and a log burner, creating a cosy snug area. An additional open fireplace at the opposite end enhances the cottage's timeless appeal. Perfect for entertaining or relaxed family gatherings, the room offers both comfort and versatility. The ground floor further benefits from a modern fitted kitchen, with range cooker and integrated dishwasher, while a rear entrance porch has useful storage, and a convenient utility/wet room.

To the first floor are two double bedrooms, both enjoying lovely views over the garden. Bedroom one has fitted wardrobes and bedroom two features a charming inglenook space which has been thoughtfully adapted into a unique seating area, alongside the added benefit of an en-suite WC.

In addition to the main cottage, the property also benefits from an adjoining one-bedroom annex, with separate entrance, offering excellent potential for multi-generational living, a superb holiday let opportunity or could be incorporated into the main house. The annex comprises a cosy living/dining room with a feature fireplace, a fitted kitchen, a bright and welcoming conservatory, and a downstairs shower room and WC, while the first floor provides a comfortable double bedroom with views over the garden.

The property has a gated driveway providing a wonderful sense of arrival leading to a parking area for several vehicles and a greenhouse. The mature gardens which surround Riverside Cottage are beautifully established with a wide variety of plants, trees and shrubs bordered by the river with a feature pond. There is also a large wildlife pool and other interesting water features in the grounds making this a gardeners dream while for those looking to enjoy the peaceful outdoor surroundings there are several seating areas. There is a purpose built studio that would make an ideal office to work from home and a workshop with water and electricity. The river gently flows along the garden attracting lots of birds and wildlife enhancing the tranquil atmosphere. The rear garden leads seamlessly into an area of woodland, further adding to the property's picturesque and secluded setting. There are also additional sheds in the grounds ideal for storage.

Riverside Cottage offers a wonderful blend of traditional character, versatile accommodation and peaceful rural living, making it an exceptional home or countryside retreat. The current owners have made numerous quality improvements and upgrades to the property and viewing is highly recommended to appreciate these in full.
