Description

Discreetly available through Collyers Estate Agents, this exceptional four double bedroom detached home presents an excellent opportunity to acquire a beautifully appointed modern residence within a highly regarded development.

Constructed approximately seven years ago and immaculately maintained by the current owners, the property combines generous proportions with a particularly high standard of finish and a layout ideally suited to contemporary family living.

At the heart of the home is a superb open-plan kitchen, dining and living space, measuring approximately 33'5" x 28'8" at its widest points. Designed with both everyday family life and entertaining in mind, this impressive area provides an abundance of natural light and a wonderful sense of space.

The stylish fitted kitchen incorporates a comprehensive range of cabinetry, integrated appliances and a substantial central island, providing an attractive focal point as well as additional preparation and seating space. The kitchen flows naturally through to the dining and living areas, while wide bi-fold doors open directly onto the rear garden, creating an effortless connection between the house and its outside space during the warmer months.

A separate utility room provides further practical storage and appliance space, while a ground-floor cloakroom completes the accommodation at this level. Underfloor heating further enhances the comfort and quality of the ground floor.

Upstairs, the generous landing leads to four genuine double bedrooms, making this an especially appealing proposition for growing families or those requiring additional home-working or guest accommodation.

The principal bedroom is particularly impressive, benefitting from fitted wardrobes and its own contemporary en-suite shower room. The second bedroom also enjoys fitted storage and a private en-suite, while bedrooms three and four are both excellent doubles again with fitted wardrobes and are served by a stylish family bathroom.

The quality of presentation continues externally. To the front of the property, a private driveway provides ample off-road parking and leads to a detached garage, offering secure parking, storage or workshop potential.

To the rear is a private and enclosed garden designed to be both attractive and practical. A

generous paved terrace immediately adjoining the house provides an ideal setting for outdoor dining and entertaining, with the remainder principally laid to lawn and offering a safe and usable space for children, pets or relaxation.

This development has established itself as a particularly desirable modern residential setting, combining an attractive environment with convenient access to local amenities, schooling and transport connections.

With spacious accommodation, four double bedrooms, two en-suites, superb open-plan living, garage and parking, this is a home that offers considerably more than many comparable modern properties.

The property is not currently being openly marketed and is available on a discreet basis.
