Queens Gardens

Hoyland, Barnsley, S74 0PH

Guide Price £210,000 - £220,000

GUIDE PRICE £210,000 - £220,000. NO UPWARD CHAIN! Tucked away in a quiet corner of a peaceful cul-de-sac, this beautifully presented three-bedroom semi on Queens Gardens is a rare find — fully refurbished throughout to a genuinely high standard and ready to move straight into. Offered with no upward chain, this is a true turnkey property, offering the perfect blank canvas for its next owners to simply unpack and put their own stamp on.

No detail has been overlooked in the refurbishment, with fresh white décor and new flooring running throughout, complemented by a brand new kitchen with fitted appliances and a stunning new bathroom. Oak doors and a feature oak staircase add a further touch of quality, elevating the finish well beyond the ordinary.

Outside, a driveway provides off-road parking to the front, while the rear garden offers a good-sized outdoor space with plenty of scope to finish it to the same standard as the interior.

Ideally placed in the ever-popular commuter location of Hoyland, the property sits just minutes from the M1 and within walking distance of an array of local amenities. It's surrounded by reputable schools, well served by good bus routes, and benefits from direct roads through to both Sheffield and Barnsley — making it a superb choice for commuters and families alike.

With a property of this standard rarely staying on the market for long, and no upward chain to contend with, early viewing is strongly recommended to avoid disappointment.
