OWNERS COMMENTS

There can be no clearer and better sea views than from the apartment, the weather or time of year does not matter the view is always inspiring and something we have not taken for granted any day during our time here. Broadstairs and Joss Bay hold fond memories not only for our time in this apartment but also previous properties we have owned, and we feel so grateful and pleased that we have been able to live in such a special apartment in a secure safe environment. The roaring sea and the constant moving landscape are something not to be matched and an experience we will never forget. Broadstairs will always hold a place in our hearts and we will continue to visit and enjoy everything it has to offer.
