The modern bathroom has fully tiled flooring and walls, two UPVC double-glazed windows, and a modern suite comprising a panel bath with tiled surround, wall-hung shower with glass shower screen, WC with hidden cistern, a wash hand basin with mixer tap and storage beneath, and a chrome ladder-style heated towel rail.

To the front of the property, there is an in and out driveway bordered by a dwarf brick wall and a mature hedge, providing privacy. A sweeping tarmac driveway runs down the side of the property towards the detached single garage. Additionally, a large area of shingle offers off road parking for multiple vehicles.

The rear garden has been well landscaped and features a large area of composite decking, ideal for outdoor entertaining.
