Property Ref, JV0032

Freehold:

A Distinguished Five-Bedroom Detached Residence in a Prime Banbury Location

Occupying a discreet position at the end of a private road within the highly regarded Victoria Park development, this substantial five-bedroom detached home offers well-balanced, thoughtfully arranged accommodation over three floors, extending to approximately 2,120 sq ft.

Constructed in 2020 to a high specification, the property combines contemporary architectural design with practical family living, finished with quality materials throughout.

The ground floor is centred around an impressive open-plan kitchen, dining and family space, forming the natural hub of the home. Appointed with a comprehensive range of Shaker-style cabinetry, Quartz work surfaces, and integrated Neff appliances, the space is both functional and refined. Bi-fold doors provide direct access to the rear garden, allowing for excellent natural light and a seamless connection between internal and external living. A separate reception room with a walk-in bay window, together with a dedicated study, offers further flexibility. A utility room and cloakroom complete the ground floor.

The first floor provides a well-proportioned principal suite, incorporating a dressing area and an en-suite bathroom with both bath and separate shower. A guest bedroom benefits from its own en-suite, while a further double bedroom is served by a family bathroom.

The second floor offers two additional double bedrooms and a shower room, together with a versatile landing space, currently arranged as a study area.

Externally, the rear garden extends to approximately 55 feet and has

Energy rating and score

This property's energy rating is B. It has the potential to be B.

[See how to improve this property's energy efficiency.](#)

Score	Energy rating	Current	Potential
92+	A		
81-91	B	85 B	90 B
69-80	C		
55-68	D		
39-54	E		
21-38	F		
1-20	G		

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
- the average energy score is 60
