, Chesterfield, S40 3AD

Over two centuries of history. The unmistakable elegance of Georgian architecture. And an interior where daring contemporary design meets timeless period character. Welcome to Rose Cottage.

Dating back to the early 19th century, this distinguished Georgian residence has stood proudly along Chatsworth Road for more than 200 years. Awarded Grade II listed status in 1977 in recognition of its architectural and historic significance, Rose Cottage is a beautiful reminder of a bygone era. Yet step inside, and you'll discover a home that feels anything but stuck in the past.

Here, bold contemporary styling sits effortlessly alongside exquisite original features. Ornate ceiling roses, elegant cornicing, beautifully proportioned rooms and traditional fireplaces provide the architectural backdrop, while carefully considered interiors introduce colour, personality and a distinctly modern sense of style. The result is a home that feels wonderfully individual, effortlessly sophisticated and, above all, incredibly inviting.

Rose Cottage is a home that refuses to be defined by a single era. A celebration of Georgian craftsmanship, enriched by more than 200 years of history and brought beautifully into the present through exceptional interior design.

A home with a story to tell.

Georgian grandeur, with a contemporary soul.

Beautifully individual spaces, designed for living

Private, peaceful and perfectly positioned.

And then there's the location.
