DESCRIPTION

A substantial unlisted 16th century property with approximately two acres situated on the Atlantic highway between the Devon and Cornwall border and only a short drive to the thriving village of Hartland, SW coastal path and local amenities. This extensive property of around 7500 sq ft is currently being run as a successful public house with 9 en-suite letting rooms, main bar, lounge, restaurant, function room, kitchen and facilities. There is also a 3-bedroom owners' apartment which enjoys fine countryside views. Below this is the Gym and hot tub area which is for residents and gym members.

Externally there is a large parking area, enclosed areas of garden/lawn which are currently being used for outdoor dining/beer garden for the restaurant and bar, single garage and 2 level paddocks. These are currently being used as a caravan and camping site area but could be suitable for equestrian/small holding if desired.
