Ringstead, NN14 4DW

Simpson & Partners

This charming two-bedroom detached home, set in the heart of Ringstead, combines traditional character with a contemporary finish. The property also benefits from planning consent granted in 2022 for a two-storey side extension, offering excellent potential for future expansion (subject to the necessary approvals).

From the moment you step inside, there is an immediate sense of warmth and comfort. The well-proportioned rooms create a cosy cottage feel during the winter months, while an abundance of natural light ensures a bright and airy atmosphere, with an easy connection to the outdoors in summer.

The property is entered via a light and spacious hallway with stairs rising to the first floor and doors leading to the main ground floor rooms. These include a downstairs WC, a generous living room with feature fireplace and inset wood-burning stove, and an open-plan kitchen/dining room with attractive slate tiled flooring. The kitchen is fitted with ample storage, a built-in oven, hob and extractor, and has doors opening onto the enclosed rear garden, ideal for both everyday living and entertaining.

Upstairs, there are two good-sized bedrooms, both with built-in storage, served by a family bathroom comprising a P-shaped bath with shower over, wash hand basin and WC.

Externally, the property sits on a generous plot with a block-paved frontage providing ample off-road parking and access to a single garage. The rear garden is enclosed by brick walling and timber fencing, mainly laid to lawn with patio areas, pathways, raised beds and a timber shed.

Viewing is highly recommended to fully appreciate this lovely home.
