DIMENSIONS

In The Landlords Words...

"The flat has been perfect for our small family and we won't forget seeing our daughter's 'first' everything over the last few years. People always comment on the feel of our home, it's spacious and light but also very comfortable and homely. The area is really up and coming with new shops and places to eat opening all around us, and we have really loved being able to get to so many places so easily - Walthamstow, Leytonstone, the Wetlands and Epping Forest are only a short walk or a bike ride away. In the summertime, the kitchen and lean-to lead out to the garden so don't be surprised if you're there most of the time, and in the winter the flat stays warm and cosy in the evenings. We also really feel part of a community here, we've got to know everyone in the block and have great neighbours. We will miss the place a lot and wish we could uproot it and take it with us."
