THE PROPERTY

Berehayes Holiday Cottages are in Whitchurch Canonicorum, a rural farming village close to the Jurassic Coast and has been run as a very successful holiday let business since 1985. The cottages are now all being sold off separately. This is a rare opportunity to own one as your own second home/holiday let (there is no restriction on the length of stay but you must have a residential home elsewhere).

The eight barn conversions are set around an enclosed courtyard which was once a farmyard. Having been designed as holiday accommodation with open plan living areas, the decor of the cottages with country style handmade wooden kitchens, tie in with this part of the West Country. All are well maintained and double glazed throughout.

Hayloft is a charming thatched two storey converted haybarn, on the ground floor a spacious, beamed open planned living room/well equipped kitchen, two bedrooms on the ground floor, two further bedrooms on the first floor, one with ensuite bathroom and a shower room.

OUTSIDE

Designated car park space and shared visitor spaces.

There is a delightful open plan inner courtyard for the barn conversions, each cottage will have its own area with a table and chairs. Hayloft will also have additional benefit of its own rear garden, and a door can be installed to access it (planning permission has been granted). The garden can be fenced off after completion.
