North-Westerly facing, this room will benefit from the later afternoon to early-evening Sunshine but also provide views of the sunset.

Back through the Kitchen and on into the through-dining and living room. This large reception room boasts a walk-in bay window to the front of the property and double French doors to the rear, leading out to the decked area of the garden. The decor is neutral, there is wood-effect flooring running through both rooms, the ceiling lighting is dimmer-controlled and there is switched alcove lighting, providing a lighting theme for every mood or event.
