

A wonderful opportunity to create a home entirely to your own taste, with a generous garden, driveway and garage, all set within the sought-after village of Harlington and offered with no upper chain.

The Home

For buyers looking for a home they can shape entirely around their own taste and style, Christian Close presents an exciting opportunity in the heart of Harlington.

The property provides a genuine blank canvas, giving its next owner the freedom to refresh and personalise the accommodation over time and create a home that reflects exactly how they want to live.

The accommodation begins with an entrance lobby leading into a bright and generously proportioned sitting room. Measuring approximately 14'1" x 11'5", the room enjoys a broad window to the front, allowing plenty of natural light into the space, while the staircase rises naturally from the living area to the first floor.

To the rear is the kitchen and dining room, measuring approximately 13'11" x 8'7". The room currently provides a range of fitted units together with space for dining, while glazed doors open directly onto the rear garden. Its proportions offer plenty of scope for a new owner to introduce their own ideas and create a welcoming kitchen and dining space.

Upstairs, the principal bedroom is an excellent size at approximately 14'2" x 11'2", with a wide front-facing window providing good natural light.

The second bedroom sits to the rear and measures approximately 8'8" x 8'2", making it well suited as a bedroom, home office, nursery or guest room depending on requirements.

Completing the first floor is the bathroom, currently arranged with a bath, wash basin and WC.

Altogether, the house provides approximately 665 sq ft of internal accommodation, excluding the garage, with a straightforward layout that gives buyers plenty of opportunity to put their own stamp on the home

Gardens & Garage

Outside, the property continues to offer plenty of scope and flexibility.

To the front is an area of lawn together with a driveway running alongside the house and providing off-road parking.

The rear garden is established and arranged across differing levels, with areas of lawn, planting and paved seating. Mature greenery provides a pleasant backdrop, while the garden itself offers a further opportunity for a new owner to shape the outside space around their own needs.

A particularly useful addition is the detached garage, measuring approximately 15'5" x 8'10" and extending to around 137 sq ft. It provides valuable parking or storage space and adds another practical dimension to the property.
