This beautifully reconfigured three to four bedroom home has been thoughtfully enhanced by the current owner to create a versatile and highly desirable living space. The standout feature is the impressive loft conversion, which forms a generous principal bedroom suite. This space includes a stylish en suite with a large walk in shower, built in cupboards, and additional hidden storage beyond, creating both luxury and practicality. A newly installed large hot water tank ensures ample supply for multiple showers, while the Nest heating system allows full control of heating and hot water remotely, adding modern convenience.
