Plot 46 is a beautifully designed three-bedroom semi-detached home, thoughtfully planned to suit modern family living. The heart of the home is the spacious open-plan kitchen and dining area, complete with a central island and French doors opening onto the private, south facing rear garden. The contemporary Omega kitchen features soft-close doors and drawers, laminate worktops with matching upstands, a built-in single oven with a four-ring ceramic hob, and an integrated fridge freezer. A selection of kitchen upgrades is also available, subject to the stage of construction. A generous separate living room offers the perfect space to relax, while a convenient downstairs cloakroom completes the ground floor.

Upstairs, the spacious principal bedroom enjoys the benefit of a contemporary en-suite shower room, while two further well-proportioned bedrooms are served by a stylish family bathroom.

Externally, Plot 46 benefits from a private driveway providing parking for two vehicles and is fitted with an electric vehicle charging point. The fully enclosed south facing rear garden has been rotavated and graded, creating an ideal blank canvas for landscaping, and also benefits from a useful outside tap.

Situation
The historic market town of Devizes with its stunning Georgian architecture features more than 500 listed buildings, from Devizes Castle steeped in history to Wadworth's legendary 1875 brewery. The popular weekly market dates back to 1141 and is fringed with an abundance of popular cafes and independent shops. Residents also have easy access to Stonehenge and Bath, while it's just 25 minutes to Chippenham for fast trains to London. Zephyr Place itself has been thoughtfully designed to support both people and wildlife, with green space and a strong emphasis on enhancing the area's biodiversity. From here, you have the freedom to explore miles of countryside and ancient pathways, including the spectacular Caen Hill Locks – the most impressive flight on the UK's waterways and a designated scheduled Ancient Monument.
