This 1930s two-bedroom semi-detached house presents an excellent opportunity for buyers looking to create a home to their own taste. Offered to the market with no onward chain and as a probate sale, the property requires complete modernisation but offers well-proportioned accommodation and plenty of potential.

The ground floor comprises a front reception room with good natural light, leading through to a separate dining room, ideal for family living or entertaining. To the rear is a fitted kitchen, which provides access to the garden, along with a ground floor bathroom.

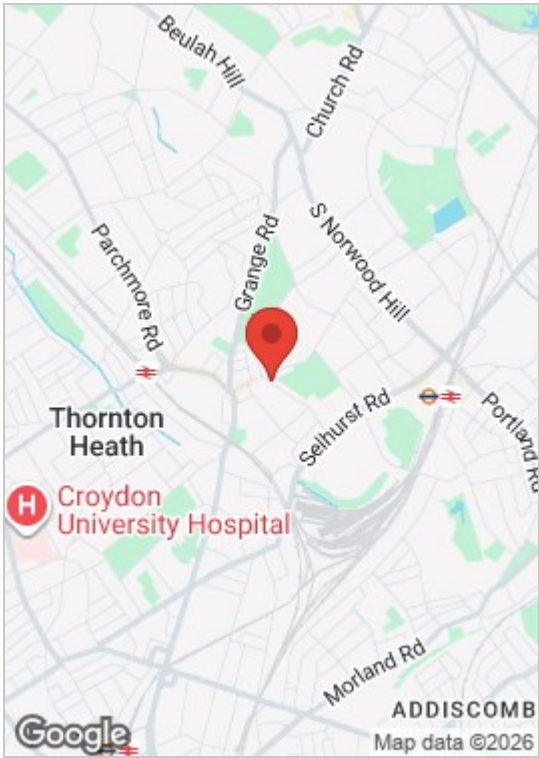

Upstairs, the first floor offers two generous double bedrooms, both well sized for a property of this era.

Overall, the house provides approximately 630 sq ft of internal accommodation and would suit buyers looking to put their own stamp on the property, whether as a first home, investment, or longer-term family residence.

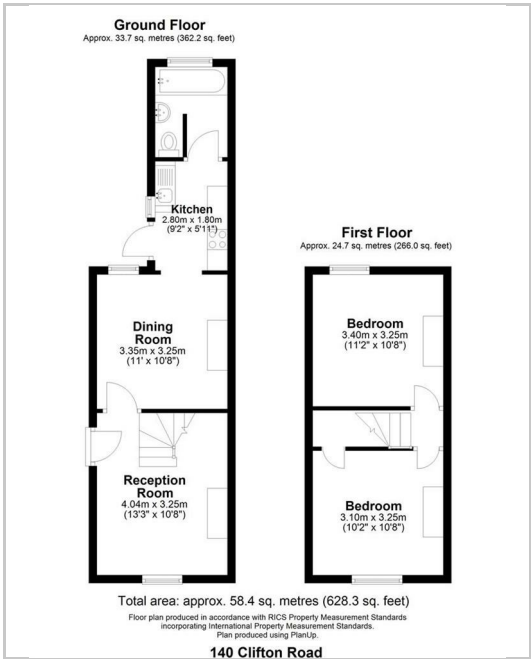

With its classic 1930s layout, scope to improve and personalise, and the benefit of no chain, this property represents a fantastic opportunity for those looking to add value.
