Description

Entering the property, you find yourself in an impressive reception hallway with stairs rising to the first floor which has a galleried landing, and there are doors to all main ground floor rooms. There are two spacious cupboards providing good storage options. The property has a large and bright living room which offers access into the conservatory at the rear of the property and into the kitchen/diner, both via, double doors with stained glass inserts. There is access into the garden from the conservatory, which has a tiled floor and windows to all aspects, along with a high-pitched roof with ceiling blinds. A modern kitchen has been fitted in a range of gloss, wall and base units with contrasting work surfaces over and integrated appliances include double ovens and a hob with extractor above. There is ample space in this room for a family sized table and chairs and there is additional access into the garden. Off the hallway you will find a spacious utility room with wall and base units, including a sink unit and with plenty of room for a freestanding washing machine and tumble dryer. Finishing the accommodation on the ground floor is a cloakroom fitted in a white suite.

Rising to the first floor a spacious galleried landing offers doors to all three bedrooms and a family bathroom. There is loft access, a spacious built-in storage cupboard, plus an airing cupboard. All bedrooms are spacious rooms, with the master bedroom being an impressive 25'11" in length and having an extensive range of fitted wardrobes to one end and access to its own en-suite shower room. Viewers will note that this room was originally two rooms and therefore has the potential to be returned, quite easily to its original state, by re-instating the partitioning wall and door to create an additional bedroom. Finally, there is a family bathroom which has a tiled flooring and part tiled walls and includes a tile panelled bath, plus wash hand basin and w.c. set into a fitted unit.

Externally, to the rear of the property there is a block paved patio which leads into the lawn. There is pedestrian access into the double garage and to a spacious outbuilding which has a w.c. and wash hand basin. The outbuilding would lend itself nicely to a home office for someone looking for a quiet space to work from home, or a gym/games room. There is a pedestrian gate which gives access to the front of the property where you have a large, loose stone driveway which provides excellent parking for several vehicles, in addition to the detached, double garage.
