Situated close to the city centre and across the road from a major supermarket, 22 Tabernacle Chapel is a convenient one-bedroom property. The open plan kitchen / living room is bright, partly due to the two skylights above the kitchen that fill the room with natural light. Within the kitchen you can also find plenty of storage as well as a large fridge freezer. The living room is spacious with ample seating, making it a great room for hosting. The bathroom is fitted with a walk-in shower, a toilet and a sink. This property is in a great location, being so central to all that Bangor has to offer and is within a close walking distance to public transportation, dining options at many of Bangor's restaurants, shops and many of the University buildings.
