The Home -

This well designed one bedroom apartment occupies the lower ground floor of a former Victorian residence on Brett Road. The interior combines modern finishes with period character, including sash bay windows and an original Victorian fireplace, alongside features such as double french doors and marble worktops. The layout makes excellent use of space, with each area arranged to suit a range of lifestyles. Cleverly integrated storage is positioned throughout, providing solutions while keeping the apartment uncluttered and easy to live in.

The apartment is ideally located close to Mare Street and Amhurst Road, within a lively and diverse neighbourhood offering a wide selection of cafés, shops and everyday amenities. Transport connections are excellent, with Hackney Central station approximately two minutes' walk away, and Hackney Downs and Dalston Junction also within easy walking distance.

The Indoors

On entering the property, you arrive in a hallway where built-in storage at the rear provides a convenient space for coats and shoes. A second door leads into the main hallway, which connects to all rooms. To the right is the open plan kitchen and living area. This bright space features the original fireplace and well positioned double French doors that allows plenty of natural light into the room. An squared arch wall creates a gentle separation between the kitchen and living areas while maintaining an open feel. The kitchen offers generous cupboard space and includes an integrated oven and hob. The bedroom is positioned just off the hallway and provides enough room for a double bed along with built-in storage. Bay windows bring in plenty of natural light and add to the character of the room. The bathroom is finished with detailed tiling and includes a full-size bath with a fixed overhead shower, along with modern fixtures and fittings.

The Outdoors

Outside, a private paved garden provides an attractive outdoor area suitable for seating, potted plants or a barbecue, and serves as a natural extension of the living space.

Loving the Location

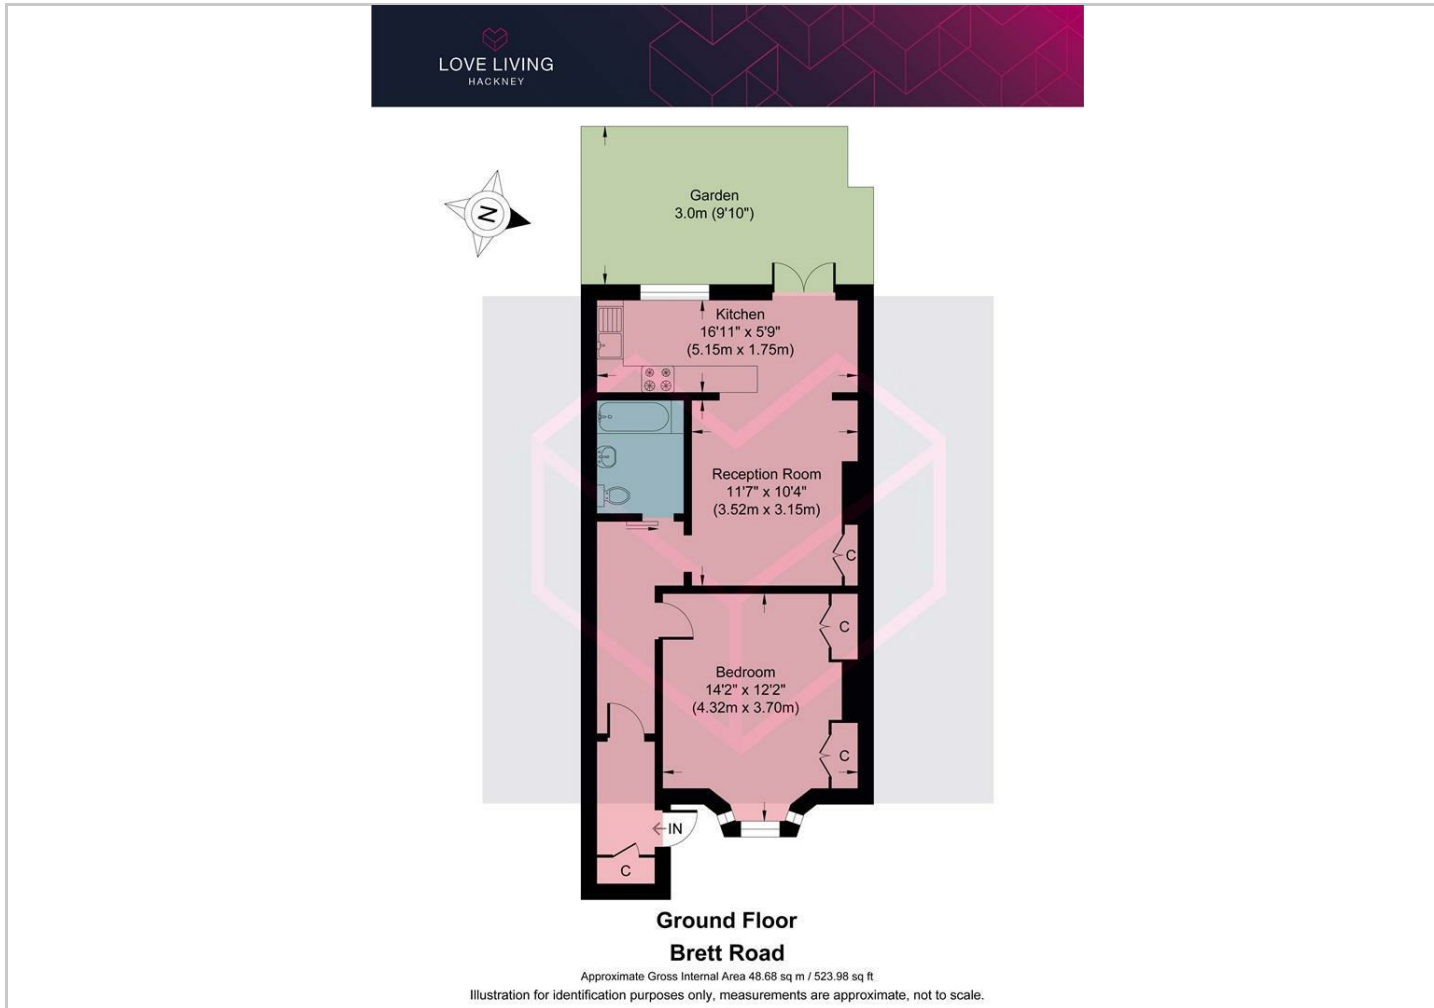

The apartment is excellently positioned for the best of east London, with the green spaces of Hackney Downs, London Fields (with its lido and access to Broadway Market) and Clissold Park all close at hand, while the wild open spaces of Hackney & Walthamstow Marshes are a little further afield. This part of east London is well known for its exciting food scene, with a wonderful range of bars, restaurants and cafes including Little Duck | The Picklery, Brilliant Corners and E5 Bakehouse, plus many excellent pubs such as The Spurstowe Arms.

Brett Road is a short walk from Hackney Downs and Hackney Central stations, for services to Highbury & Islington, Shoreditch High Street and Canada Water on the East London Overground Line. Regular services run from Hackney central station to Liverpool Street and is close by.
