

Eccleston Square
Pimlico, SW1V

CHESTERTONS

Set within one of Pimlico's most sought-after private garden squares, this exceptionally grand raised ground floor apartment extends to approximately 1,650 sq ft and offers impressive proportions throughout, just a short walk from Belgravia.

The property is defined by its magnificent reception room, boasting soaring 3.6m ceilings and elegant proportions, with large windows overlooking the beautifully maintained garden square, flooding the space with natural light and creating a superb setting for both entertaining and everyday living.

The principal bedroom is particularly striking, featuring extraordinary ceiling heights of 4.65m, enhancing the sense of volume and grandeur, and is complemented by a spacious en suite bathroom. Two further bedrooms provide flexible accommodation for guests, family, or a home office. A generously sized, well-equipped kitchen is conveniently positioned just off the reception room, offering ample storage and workspace.

While the apartment is presented in relatively good condition, it would benefit from a degree of modernisation, offering an incoming purchaser the opportunity to enhance and personalise this already impressive home.

Eccleston Square is situated within the Pimlico Conservation Area allowing for easy access to amenities of Pimlico, Victoria and nearby Belgravia and Chelsea as well as numerous transport links at Victoria Station
