Proudly positioned in a prime Sea Front location, Albion House is a charming Grade II listed period property, sympathetically converted into elegant apartments in more recent years. Offering uninterrupted views over Clevedon's Victorian Sea Front, iconic pier and the Bristol Channel with the Welsh hills beyond, there surely cannot be a more perfect place for those searching for a coastal home. Apartment 1 is conveniently situated at ground floor level and boasts many additional features including its own private courtyard style garden to the rear and sizeable cellar storage. The accommodation itself is light and spacious with well proportioned rooms, beautifully presented throughout. Comprising gracious sitting room with bay window providing those all important coastal views, archway into the dining area, fitted kitchen with access onto the garden, modern shower room, master bedroom with the same fantastic outlook and a useful second bedroom. Outside, the pretty courtyard garden offers great privacy and is the ideal place to enjoy a morning coffee whilst the additional cellar area is perfect for storing those larger items, garden tools and leisure equipment. Perfectly situated within a short stroll of cafes, restaurants and independent shops and boutiques and, of course, Clevedon's glorious promenade and marine lake, this property presents an opportunity not to be missed. Sold with the benefit of no onward chain.
