Location

The Rectory will be found on the outskirts of the charming rural village of Brampton. The village benefits from a primary school that is currently 'Outstanding' rated by Ofsted and Stoven Hall Veterinary and Rehabilitation Centre. There is also a 'request stop' railway station on the East Suffolk Line, linking with Ipswich to the south and Beccles to the north. Brampton is located approximately 5 miles to the north of Halesworth, 6 miles to the south of Beccles and 6 miles north-west of the popular coastal village of Southwold. Halesworth benefits from a good range of services together with a railway station. Beccles, also known as the gateway to the Broads, also offers a good range of independent shops, restaurants, cafes and other services, again including a railway station.

There are numerous recreational activities available locally including sailing and water sports on the Heritage Coast or Norfolk Broads, bird watching at the internationally renowned RSPB Minsmere and golf courses including those at Halesworth and Southwold.

Description

Believed to date originally from the 1970s, The Rectory offers well laid out, light and spacious family accommodation occupying a generous plot of over half an acre on the outskirts of the village. In all the accommodation extends to over 2,000 sq. ft and comprises a spacious entrance hall for receiving guests, a semi open-plan sitting room and dining room that is separated by sliding pocket doors, a kitchen/breakfast room, study, a cloakroom and a rear hall/utility room that links with the garage and storerooms.

On the first floor there is a galleried style landing, four bedrooms, a bathroom and separate WC.

Outside the property benefits from a mature and established plot of over half an acre that adjoins open agricultural land. Given the size of the plot and garden to the rear, The Rectory offers tremendous scope to be extended and re-modelled, subject to the necessary consents.

Certificate of Structural Adequacy

Interested parties should note that The Rectory has suffered from some historic structural issues. The vendor, the Diocese of St Edmundsbury & Ipswich, commissioned the recommended repair works following completion of which a Certificate of Structural Adequacy was issued by the surveyors overseeing the works in April 2018. The cause of the damage was deemed to be clay shrinkage caused by nearby trees. These trees have now been removed. Prospective purchasers should note that this may be an issue for some lenders and insurers, and we encourage prospective purchasers to research this at the outset. A copy of the Certificate of Structural Adequacy is available to interested parties on request.

Site Plan - Indicative Only

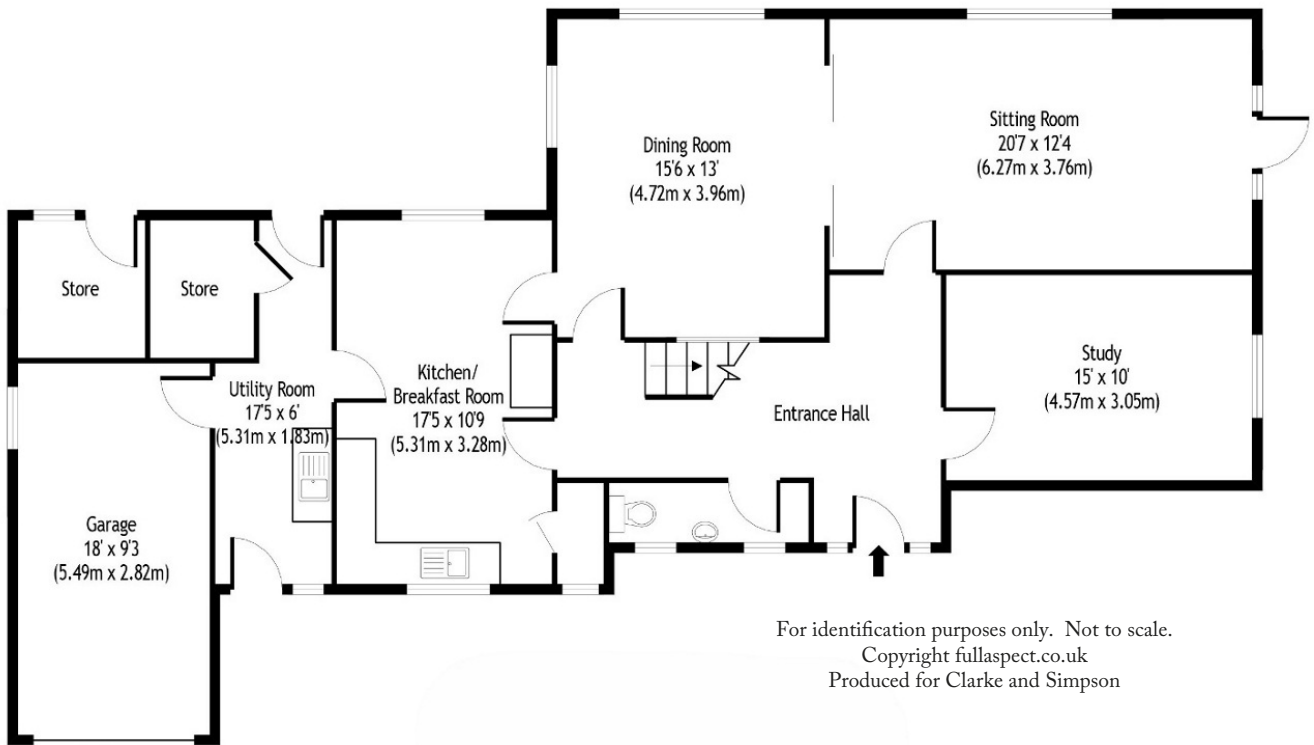

The Rectory, Brampton
 Approx. Gross Internal Floor Area - 2067 Sq ft / 192 Sq M

For identification purposes only. Not to scale.

NOTES

1. Every care has been taken with the preparation of these particulars, but complete accuracy cannot be guaranteed. If there is any point, which is of particular importance to you, please obtain professional confirmation. Alternatively, we will be pleased to check the information for you. These Particulars do not constitute a contract or part of a contract. All measurements quoted are approximate. The Fixtures, Fittings & Appliances have not been tested and therefore no guarantee can be given that they are in working order. Photographs are reproduced for general information and it cannot be inferred that any item shown is included. No guarantee can be given that any planning permission or listed building consent or building regulations have been applied for or approved. The agents have not been made aware of any covenants or restrictions that may impact the property, unless stated otherwise. Any site plans used in the particulars are indicative only and buyers should rely on the Land Registry/transfer plan.
2. The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 require all Estate Agents to obtain sellers' and buyers' identity.
3. Prospective purchasers should note that a public footpath runs along the northern boundary to the site.
4. Prospective purchasers should note that the vendors commissioned an Asbestos Survey in 2007, which highlighted Asbestos Containing Materials (ACMs) in the property - specifically within some of the thermoplastic floor tiles, ceiling insulation board and textured ceiling coatings. A copy of the survey is available on request.

Directions

Heading north on the A12, pass the Blythburgh White Hart pub on your right and then take the left hand turn onto the A145 signposted to Beccles. Proceed for approximately 3 miles, taking the left hand turning onto The Street at the right hand bend beside St Peter's Church. Continue along The Street for approximately half a mile, turning right onto Moll's Lane where the property will be found a short way along on the right hand side.
