RSPB Minsmere is also within easy driving distance. Day to day shopping can be found in Leiston, about 1 mile to the north, and also at Saxmundham, approximately 6 miles to the north-west, which offers Waitrose and Tesco supermarkets together with a railway station with regular services to Ipswich where connecting trains to London's Liverpool Street Station can be taken.

## **Description**

1 Keepers Cottage, Aldringham, is a charming, three bedroom semi-detached red brick period cottage with accommodation laid out over three floors. The property is one half of a pair of semis, the second of which is also for sale. As such the properties can be purchased individually or as a pair.

The property sits in a rural location on the outskirts of the village of Aldringham with rural views to the front and rear, and is just a short drive from the Heritage Coast at Thorpeness.

The cottage offers ample opportunity for an incoming purchaser to put their own mark on the property albeit it is presented in reasonable order throughout and benefits from double glazing and gas fired central heating.

The property is approached from the front via the brick covered storm porch with front door opening to the entrance hall where stairs rise to the first floor landing. A door opens to the dual aspect sitting room which has windows to the front and side, a large understairs cupboard and an open fireplace in red brick surround with tiled hearth and wooden mantel over. A door from the sitting room opens to the kitchen/dining room. The kitchen area is fitted with a matching range of wall and base units with roll top worksurface and tiled splashback. The worksurface incorporates a stainless steel single drainer sink unit with mixer tap over. There is space for a gas cooker with extractor hood over. An inner lobby leads to a further door to the cloakroom comprising low level WC, corner hand wash basin with mixer tap over and tiled splashback, and also a chrome heated radiator. A further opening from the inner hall leads to the rear hall which serves as a boot room with built-in cupboards with shelving and coat hooks.

Stairs from the entrance hall rise to the first floor landing. Bedroom one has a window to the rear and also houses the built-in airing cupboard with water cylinder and slatted shelving. Bedroom two is a further double bedroom with window to the front and side and built-in wardrobe with hanging rail and shelf over. The bathroom comprises a panelled bath in tiled surround with shower attachment, mixer tap and glass screen, WC and hand wash basin with mirror fronted cupboard over. There is also a wall mounted Dimplex heater, shaver point, heated towel radiator, extractor fan and window to the side.

From the first floor landing a further staircase leads to the second floor attic bedroom three which is a good size double room with dormer window to the front, window to the side, electric panel heater and built-in eaves storage.

## **Outside**

The property is approached via a track to a parking area to the rear of the property which is between the house and the outbuilding which has power and light. There is further parking available to the rear of the timber garage under the covered carport and storage area. To the front of the cottage is a small enclosed garden mainly laid to lawn with views to the south over neighbouring farmland.

To the rear of the property beyond the drive is an enclosed garden together with a timber summerhouse. The garden is mainly laid to lawn but interspersed with flower and shrub borders and enclosed by panel fencing and hedging. There is an outside tap and external lighting.
