DRESSING ROOM

9'9" x 8'7"

GARAGE

9'7" x 20'11" approx.

Measure externally. A detached concrete sectional garage with timber doors to the front.

GARDENS

There are two sets of timber gates to the front of the property from Goole Road, the first set provides pedestrian access to the front entrance door, and the second set provide vehicular access onto the driveway which provides secure off street parking for multiple vehicles, and are remote controlled. There is a further pedestrian gate to the left hand side of the property with access from Garth Lane.

The garden is fully enclosed and well established with various plants, shrubs and bushes and a lawned area. The driveway which could also be used as a further seating area if required is laid with Indian stone pavers, which extend into the matching pathways that run along the parameter of the property.

A covered veranda is located to the side of the property with a ceramic tiled floor and a further covered seating area/gazebo, ideal for outdoor entertaining is located at the side of the garage. This area includes light, power and a log burner.

Total area: approx. 209.5 sq. metres (2255.5 sq. feet)
