

Meadow Cottage ., Pentridge, Salisbury, Wiltshire, SP5 5QX

£2,000 Per Month

About The Property

A delightful four-bedroom cottage situated in the village of Pentridge has just undergone a full restoration, including complete redecoration, new carpets, two new bathrooms, and a modernised kitchen.

The property's layout features a well-proportioned entrance hall/utility room with plumbing and space for both a washing machine and a tumble dryer. This room also provides access to a large single built-in garage. Continuing through the cottage, you will find a spacious kitchen/diner that has been fully redecorated, boasting new work surfaces and a new electric full-size range cooker.

There are two reception rooms, with the larger one featuring an open inglenook-style fireplace. The second reception room would make an excellent snug and includes a small log burner. Additionally, there is a fully refurbished downstairs bathroom that features a thermostatic shower over the bath.

Upstairs, the accommodation comprises a large hallway that could serve well as a home office, three double bedrooms, and one single bedroom, along with a newly constructed small shower room.

Outside, the property offers a large lawn in the front, complemented by well-established flower beds, and a gravel driveway leading to side parking. The rear features a spacious garden with mature trees and large flower beds, complete with a recently recommissioned shed.

The property has now been let prior to marketing.
