Westfield, BA3 4AX

£290,000

Vendors comments- "We bought the property back at the end of 2020 after seeing the potential it had for us and for our future family. These houses are like little tardis's and there is so much space both indoors and outdoors for our whole family to be able to enjoy. It's great to be able to walk to the High St if we wish, or can even just walk around the corner and hop on the bus into Bath. And with our youngest now starting school, we have lots of choices of schools to pick from which is an added bonus for any family."
