A modern four-bedroom detached family home, ideally positioned in Yatton village, and offered to the market with no onward chain. 32 Strawberry Drive was constructed by Woodstock Homes in 2020 and benefitting from the remainder of the Buildmark warranty, this attractive modern family home occupies a quiet position at the end of a cul-de-sac and provides well-balanced, thoughtfully arranged accommodation extending to approximately 1,336 sq. ft. This energy efficient home also benefits from solar panels, generating free electricity. The property is entered via a welcoming entrance hall which gives access to a ground floor cloakroom WC and houses the staircase rising to the first floor. Positioned to the front of the property, the sitting room is a generously proportioned and comfortable reception space, enjoying a bay window which allows for excellent natural light and provides a pleasant outlook. To the rear, the impressive kitchen/diner forms the hub of the home, spanning the width of the property and offering ample space for both everyday family living and entertaining. The kitchen is fitted with a comprehensive range of contemporary units and integrated appliances, with French doors opening directly onto the rear garden, ideal for the modern way of living. A separate utility room is accessed from the kitchen/diner, providing valuable additional storage and space for laundry appliances. On the first floor, a central landing gives access to four well-proportioned bedrooms. The principal bedroom benefits from a modern en-suite shower room, while the remaining bedrooms are served by a stylish family bathroom. The accommodation is further enhanced by the addition of solar panels, which generate free electricity and contribute to the home's overall efficiency.

The rear garden is attractively laid out and thoughtfully maintained, creating a pleasant and inviting outdoor space that is both practical and visually appealing. A paved patio extends from the rear of the property, offering a welcoming spot for morning coffee or summer BBQs with friends and family, before giving way to a level lawn. Planted borders with established shrubs and young trees add colour, texture and seasonal interest, helping to soften the boundaries and create a sense of structure. Fully enclosed by timber fencing and designed with ease of maintenance in mind, the garden provides a versatile setting with ample scope for further planting or gentle landscaping, allowing a future owner to tailor the space to their own tastes and lifestyle. A secure gate to the side provides access to the front, where you have off-street parking for three vehicles, with planted beds containing a variety of shrubs framing the property beautifully.

Strawberry Drive is a small and desirable cul-de-sac, ideally positioned just a short, level walk from Yatton High Street, where a range of local shops, cafés and amenities can be found. Yatton is well regarded for its strong sense of community, excellent schooling and superb transport links, including a mainline railway station offering direct services to Bristol and beyond. There are scenic countryside walks nearby, yet the village retains excellent access to larger centres such as Clevedon, Weston-super-Mare and Bristol. This combination of a convenient, quiet location and well-designed family accommodation makes 26 Strawberry Drive a compelling proposition for a wide range of buyers, whether upsizing, relocating or seeking a well-connected yet peaceful village setting.
