Double oak doors lead into a cosy snug, featuring laminate flooring and a window to the front elevation, filling the room with natural light, providing an excellent secondary reception room.

The heart of the home is the beautifully extended kitchen/dining room, finished with ceramic tiled flooring and thoughtfully designed for modern family living. The kitchen boasts a Smeg range cooker with a six-ring gas hob and electric double oven, Smeg hooded extractor, inset ceramic sink with a mixer tap and boiling water tap, American-style fridge/freezer, Bosch dishwasher and a pantry cupboard. Bi-fold doors to the rear seamlessly connect the space to the garden, flooding the room with natural light.

A utility room continues the ceramic tiled flooring and is fitted with a one-and-a-half bowl sink, square-edged work surfaces and a glass-panelled door providing access to the side of the property.

A central staircase flows up to the first floor landing.

A low-level picket fence encloses the attractive front garden, where a paved pathway gently curves to the front door. Mature shrubbery flanks the pathway, which continues around to the rear garden and the garage personnel door. A well-maintained lawn sits to the left-hand side, with the path flowing around to the right-hand side, providing a pretty and evergreen border.

To the rear, the beautifully landscaped garden is predominantly laid to lawn and enjoys a high degree of privacy. A substantial paved patio extends from the rear of the property, ideal for outdoor dining and entertaining, with a feature water fountain providing an attractive focal point.
