About the Property

We are delighted to bring to the market this wonderful one bedroom apartment, ideally situated within the well-established Jenkinsons Warehouse development in the heart of Liverpool City Centre's thriving Business District.

Conveniently located for a range of local amenities including the Liverpool One shopping centre, the world famous waterfront and a vast array of bars and restaurants, this property would make an ideal home or investment opportunity. We anticipate an expected rental potential of £825 per calendar month.

The comparatively lower service charges provide an attractive advantage over many similar city-centre developments. Importantly, the development has a valid EWS1, providing additional reassurance for prospective purchasers.

The accommodation comprises a secure communal entrance with fob entry system, lifts and stairs providing access to all floors, entrance hall, spacious living/dining room, separate fully fitted kitchen, double bedroom with fitted wardrobes, and a family bathroom.

Offering a combination of an established development, attractive service charges, a valid EWS1 and an enviable central location, this property represents an excellent opportunity for both owner-occupiers and investors.

At such an attractive price, the property is likely to sell quickly, so book soon to avoid disappointment!
