Begbroke, Kidlington, OX5 1RN

A unique opportunity to acquire an attractive parcel 12.62 acres of Rushy Meadows close to the villages of Begbroke and Kidlington

Description

The land is an attractive parcel of pasture land with a good diversity of species. It includes open areas and glades, a watercourse and includes a strand of Bull Rushes. It's location adjoining the Oxford Canal offers further potential.

Location

The land is located on the edge of Kidlington in the small Village of Begbroke, Oxfordshire and adjacent to the Roundham Lock on the Oxford Canal. Begbroke is an attractive village sitting to the north-west of Oxford split by the A44 and benefiting from St Michael's Church and St Philips Priory.

Kidlington, often regarded as one of the largest villages in England, is situated approximately five miles to the North of Oxford sat between the River Cherwell and Oxford Canal. The village benefits from a range of amenities such as The Kidlington Centre, a primary shopping destination on the high street with approximately 50 shops including supermarkets, home to the Thames Valley Police Headquarters and closely located to the London Oxford Airport, Begbroke Science Park and Oxford Technology Park.

Being located between the two villages, there is a wide range of accessible footpaths, byways and bridleways.

Directions

Head from the Village of Woodstock in a southerly direction towards Oxford. With Oxford Airport on your left continue into the village of Begbroke and take the first slip road on the left. After approximately a quarter of a mile, turn left onto Begbroke Lane. Park here due to locked gate. Follow the lane onto the Restricted Byway and walk down the lane. The silver palisade gate can be found on the left hand side after second bend in the byway. By foot, the land can be accessed from Partridge Place, crossing the railway and canal.
