

A deceptively spacious 3 bedroom detached dormer property set in a peaceful village location. The property offers driveway parking, a garage and gardens with two impressively spacious first floor bedrooms with the main bedroom en-suite.

The property also features a generous 7m main living room which is an impressive main reception room with patio doors to a decked area ideal for entertaining at the side. From here, doors lead into the open-plan kitchen and dining room which is another spacious room which again has doors out onto the decking. The ground floor also features from a spacious main hallway. The third bedroom is on the ground floor and could be used as a home office/hobbies room with an extra storage cupboard. A useful utility room with space for appliances.

On the first floor there are the two impressively sized bedrooms which both have fitted storage. One of the bedrooms has an en-suite shower room and there is also a main bathroom. The property has off-road parking at the front for a couple of vehicles side by side in front of the garage. There are established gardens at the front and side with a wide range of plants and shrubbery with a lawned area, the raised deck and a patio area in the corner.

There is a pathway that runs along the rear of the property with a back door into the garage and the access to the concealed gas tank.
