GENERAL AND SITUATION

A charming detached two bedroom period cottage set in approx. 16 acres with a magnificent traditional stone barn, pp for a holiday let, further outbuildings and quality pasture paddocks in a stunning setting on the fringe of The Black Mountain within the Brecon Beacons National Park.

The house is believed to date back to 1831 but historically there is likely to have been a dwelling on the site since the 1500's. The pastureland has until recently been used for grazing sheep and the property comes with grazing rights on The Black Mountain.

Planning permission was granted in 2020 ref 20/18991/FUL, to convert part of the main traditional barn into a holiday let and there is scope to further develop this barn subject to any further necessary permissions.

The village of Llangadog has a useful range of local amenities including a village shop, butcher, three pubs, garden centre and newly rebuilt village school. There are wider ranges of shops and amenities nearby in Llandeilo and Ammanford.
