20 Old Manor Drive, Isleworth, TW7 7NN

Offers In The Region Of £565,000 Freehold

A GREAT OPPORTUNITY TO ACQUIRE A 1930'S THREE BEDROOM SEMI JUST WAITING FOR ITS NEW OWNER, WHO CAN TRANSFORM BOTH THE INTERIOR AND EXTERIOR FROM ITS CURRENT CONDITION INTO A HOME TO BE PROUD OF, THEN SETTLE IN TO ENJOY ITS DELIGHTFUL RESIDENTIAL LOCATION.

20 Old Manor Drive, Isleworth, TW7 7NN

FOR SALE:

As long as you do not mind some work and are looking for a property with which you can create a character family home to suit your own style and tastes. This three bedroom semi has been the family home for many years and has been extended to provide a larger than original ground floor, both the living room and kitchen have been extended out. The upstairs is still the original layout with three bedrooms, a family bathroom and separate toilet. The heating is gas fired to radiators.

OUTSIDE: To the front there is a good size enclosed fore garden with pathway leading to the front door. To the rear there is a large garden which at present is overgrown to the rear. We understand that there is rear vehicular access by the service road to the rear of the houses, but the garden would need clearing for this to be possible.

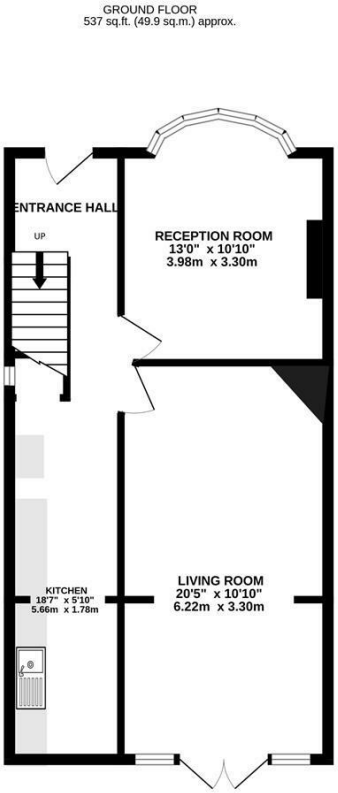

LOCATION:

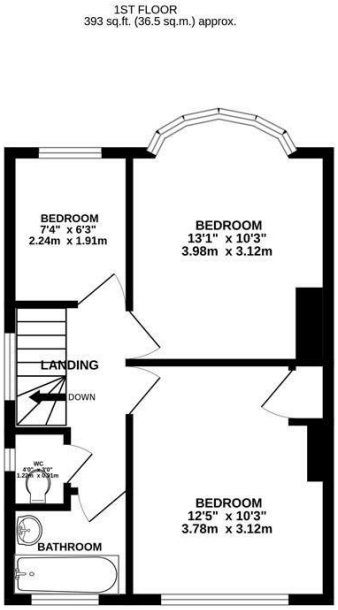

Old Manor Drive is a lovely tree lined small residential cul-de-sac of similar aged homes which is nicely tucked away off Whitton Dene. Whitton High street, shops and railway station are all within walking distance and the area is well served by local schools and leisure facilities with Murray Park just a short walk around the corner.

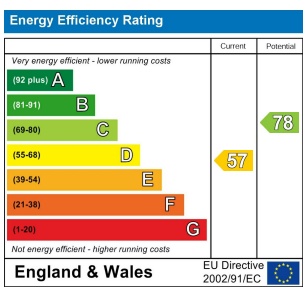

TOTAL FLOOR AREA : 930 sq.ft. (86.4 sq.m.) approx.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
