Offers In The Region Of
The Street, Little Waldingfield

Tucked away from the main road, this beautifully presented three-bedroom village house has been thoughtfully extended and modernised, blending contemporary style with the timeless character of a Victorian cottage.

The double-fronted red brick façade creates instant charm, complemented by convenient off-street parking. Entry is via a vestibule, ideal for coats and shoes, leading into the main living areas. A welcoming study with engineered oak flooring and a red brick fireplace with feature stove sits at the front, also housing the staircase to the first floor.

The bright lounge centres on a wood-burning stove with rustic oak mantel,

while to the rear the superb kitchen forms the heart of the home. Finished with sleek quartz worktops, integrated appliances, wine fridge, and bi-fold doors to the garden, it is both stylish and practical. A utility room with side access and a ground-floor WC complete the layout.

Upstairs, three well-proportioned bedrooms include two front rooms with character fireplaces, and a principal bedroom with vaulted ceilings, Juliet balcony, and peaceful garden views. The striking family bathroom features a sunken pebble floor, double-ended bath, bidet, heated towel rail, and wash hand basin.

The east-facing rear garden is generous in size, beginning with a paved terrace that opens onto a sweeping lawn bordered by neatly pruned hedges, mature shrubs, and well-stocked borders. To the far end, an enclosed shingle section offers a timber shed, greenhouse, raised beds, and a further paved stone terrace. Here, a versatile studio with power and lighting provides additional space, while a slate sunbathing area with water feature, gazebo, and extra seating creates a tranquil retreat. A rear gate gives private access to St Lawrence Church.

This is a rare opportunity to acquire a home that balances period charm with modern luxury in a highly desirable village setting.
